

Information about this week's tasks

Topic - Geogrpahy

Between the 13th and 16th century, the Aztecs lived in the Valley of Mexico. They are believed to have originally been a nomadic tribe from northern Mexico and were known as Mexica people. Their homeland was Aztlan, which meant 'White Land' in the Aztec language.

1. Use google maps or an atlas (if you have one at home) to locate and colour the United Kingdom and Mexico on the world map provided.
2. Can you also label where the Pacific Ocean is and the Gulf of Mexico is
3. Find out which continent the UK and Mexico are in
4. Research and draw the flags for the United Kingdom and Mexico

Topic – History

Read the information provided about the Aztec Sun Stone. There is also a link to a website, which will give you more information. Use the information to make a fact file about the Sun stone. For Art this week, you will be designing your own Sun stone (Aztec Calendar).

French

Go to <https://www.languageangels.com/homeschool/>

Log in: username: Benfie4027

Password: lahome

(lowercase L not an I)

Click on Je peux... and work through lesson 3

RE

Research what the inside of a mosque looks like and add the correct labels on the worksheet.

Science

- Look through the adaptation power point
- Choose 2 animals from the pictures and predict how they may have adapted over time. Research to find out if your prediction was correct for each.
