

21.09.10

Information about this week's activities.

Science

Using the information about Charles Darwin, bullet point facts on the True/False sheet and make up some information that is not true to put on the false side.

PSHE

Read through the PowerPoint in the PSHE folder. Afterwards, open the Scenario cards and write down what you think you should do, if you were in each situation.

RE

Watch this clip: <https://www.bbc.co.uk/bitesize/clips/zv6sb9q> to learn about Muhammad.

Watch the Power point. Then read the information sheet and answer the questions about what you have read.

French

Try and match the French verb to the action on the sheet

Music

This term we are looking at the musical composer Beethoven. Using the link below, try to make up some of your own compositions.

<https://musiclab.chromeexperiments.com/Song-Maker/>

You can change the instruments by clicking on the buttons at the bottom of the screen.
