

**Home Learning Years 3 and 4**

**Week beginning: 21.9.20**

**Numeracy**

Continue work on your times tables  
[www.timetables.co.uk](http://www.timetables.co.uk)  
Multiplication check. Can you answer all 25 questions correctly?  
Remember Year 3's will need to know their 2, 5, 10, 3, 4 and 8 times tables.  
Year 4's will need to know their 2, 5, 10, 3, 4, 8, 6, 7, 9, 11 and 12 times tables.  
Practise counting in 100s and rounding to the nearest 10.  
[www.mymaths.co.uk](http://www.mymaths.co.uk)  
In numeracy we are learning how to find 1, 10 and 100 more and less. We have also been practising counting forwards and backwards in 100s and 1000s.  
Practise reading time to O'clock and half past the hour. Play the Beat the Clock games on time on My Maths.

**History**

**Literacy**

Continue to read every day. Ask a member of your family to quiz you on the section you have read.  
Write 10 questions you could ask about the text you have read. Try to include some inference questions.  
Maybe ask about how each character was feeling? Remember to ask for evidence from the text to support answers.  
  
Is there any new vocabulary in your text? If there is, write them down and use a dictionary to find the meaning of the word.  
Please remember to practise your letter formation and handwriting.

**R.E.**

Find out 10 facts about the Bible. Use the internet to help you to find information out. Who wrote the Bible? Who uses it? How do they use it? When might they use it? Why might they use it? Where could you find a Bible?

<p>Create your fact file about what life was like for the Stone Age people. Watch this BBC clip to help you.</p> <p><a href="https://www.bbc.co.uk/teach/class-clips-video/history-ks2-new-stone-age-animation/zjh2t39">https://www.bbc.co.uk/teach/class-clips-video/history-ks2-new-stone-age-animation/zjh2t39</a></p>	<p>Revisit using capital letters and full stops for sentences. Watching the prior you tube clip for the Stone Age Boy write some sentences to describe his appearance and personality.</p> <p><a href="https://www.youtube.com/watch?v=aqy5ENpagts">https://www.youtube.com/watch?v=aqy5ENpagts</a></p>	
<p><b><u>French</u></b></p>		<p><b><u>Computing</u></b></p>
<p>In French we are learning the French alphabet. Practise singing the sounds of the alphabet with this song.</p> <p><a href="https://www.youtube.com/watch?v=5xuZxGirWQI">https://www.youtube.com/watch?v=5xuZxGirWQI</a></p>	<p><b><u>P.H.S.E.</u></b></p> <p>Think about your transition from Key Stage One to Key Stage Two or new class. Compile a list of concerns you may have and how you can overcome any concerns. What are you looking forward to doing in your new classes?</p>	<p>This half term we are using scratch to create our own animation. Log into scratch and click on, 'New Project.' From the menu bar, click on the 'Tutorials' icon. There are lots of tutorials to choose from. Start with, 'Getting Started.' Then choose another one and use scratch to explore the ideas given in the tutorials.</p> <p><a href="https://scratch.mit.edu/projects/editor/?tutorial=getStarted">https://scratch.mit.edu/projects/editor/?tutorial=getStarted</a></p>
		<p><b><u>Art</u></b></p>

		<p>Find different pens, crayons, pencils and coloured pencils and explore the different marks you can make, create a colourful collage of effects.</p>
