

Benfieldside Primary School

PE Premium Funding 2018-19

Amount of Funding received £11,227

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Key performance indicators	Key Area	Cost	Actions to achieve	Impact and outcomes	Sustainability and next steps Review and impact
1, 2, 3, 4,5	Annual Subscription to Enhanced SLA Leisure works (Coaching, CPD) Additional coaching sessions.	£3300 £1500	The partnership provides us with the following support: <ul style="list-style-type: none"> • -Training for teachers directly linked to our school's individual needs in order to allow staff to improve their own skills and ensure good and outstanding teaching is delivered to pupils. • -Access to a range of highly trained and qualified coaching 	This area of our SLA has increased the confidence and skill levels of staff allowing them to improve and deliver higher quality PE sessions to our children. The partnership coaching initiative has also offered high quality coaching to pupils.	<u>January 2019 review</u> Teachers have benefited from tag rugby coaching and multi skills / sports coaching. Staff are now more confident in teaching both subjects. Class 2 visited the Louisa Centre and competed in an Athletics Festival. The children built their

			<p>staff to deliver curriculum PE and after school clubs for children. (76 hours)</p> <ul style="list-style-type: none"> • -Destination Judo • -PE Co-ordinator to attend subject leader meetings • -Children to take part in festivals and competitions. 	<p>Increase in confidence for RQT teaching dance, gymnastics and fundamental movement skills. Increase in the number of sports leaders delivering playground games and assisting in management of school sports events e.g. dance & gymnastics festivals; sports days. – children will learn simple and effective self-defence techniques. Gain up to date knowledge of local and national sport and PE initiatives and changes.</p>	<p>confidence levels as well as their athletic abilities.</p> <p><u>April Review 2019</u> Teachers have observed coaches teaching gymnastics and football. Class 7 have taken part in a tennis festival where they were able to practise their skills. Class 6 took part in a tag rugby festival where they used what they had previously learnt. Class 4 visited a multi-skills festival and class 3 have taken part in a soccertots festival.</p> <p><u>July Review 2019</u> C2 and C8 have taken part in a dance festival, performing in front of other schools. Children worked with a dance coach to learn a dance and perform. Children enjoyed performing and this has increased their confidence. We have booked the free judo taster sessions to encourage children to take part in different sports outside of school.</p>
2, 4 and 5	Cost of travel to competitions and festivals	£2600	Transport provided by the school to take children to and from festivals/events with no charge being made to parents.	By making no charge this means all sporting events are accessible to pupils from low, middle and high income families – no child is disadvantaged.	<p><u>January 2019 review</u> Class 2 have visited the Louisa centre to take part in a festival with no costing needed.</p> <p><u>April 2019 review</u></p>

					<p>Four more events have taken place where no cost has been placed on parents.</p> <p><u>July 2019 Review</u> More events have taken place at no cost to parents and families.</p>
1,2	Broader experience of a range of sports and activities offered to all pupils.	£500	Buy new equipment and replenish what we already have to enhance children's participation in sports games and activities during break time and dinner time (focus on KS2 outdoor equipment).	Children become more involved with sports activities. Self-confidence will be built for those children who are often on their own through the impact of young sports leaders during break times.	<p><u>January 2019 review</u> We have bought a range of activities and resources for children to use during play time including hoops, Frisbees, giant connect 4, foam dominoes and catching equipment. Teachers have said that there are less behavioural issues, children are occupied and the children are socialising with different groups.</p> <p><u>April review 2019</u> Reports from the children state that they are enjoying using the new outdoor equipment.</p> <p><u>July review 2019</u> Children continue to enjoy the resources that have been bought for use on a dinner time and play time. More children are engaging in activities.</p>
1,2	Broader experience of a range of sports and activities offered to all pupils.		Kalma kids Yoga for children helping children to become more comfortable and confident with their bodies. Encouraging mid-line crossing, strong flexible bodies and develop core physical alignment.	Schools ongoing commitment to health and well-being of all pupils	<p><u>January 2019 review</u> Class 2 received a free trial from Kalma Kids Yoga. Their concentration and listening skills were great and they have taken some strategies</p>

					<p>away to use in class. Class 2 based this activity around anti-bullying and linked it to their smsc lesson.</p> <p><u>July review 2019</u> Destination Judo – free sessions to encourage children to take part in different sporting activities.</p> <p>Involvement of FISCH in promoting an active and healthy lifestyle. Children have shown positive attitudes to healthy living.</p>
1,2,5	Provide children with training to become young sports leaders.	Included in package from Leisureworks.	Provide children in year 5 with training to become young sports leaders. Once trained the children will work alongside children in KS1 and encourage them to play team games and develop their own skills during playtime.	Children will lead outdoor activities during playtime and lunch time to ensure children are active.	<p><u>January 2019 review</u> Children from year 5 and 6 have started taking lead in their sport leader roles. They are enjoying having responsibility for organising game & activities for the children during lunch times. Children are responding well to the activities.</p> <p><u>April 2019 review</u> The children are taking their roles seriously and engaging in lunchtime activities with the children. Children are more active and keen to take part.</p> <p><u>July 2019 Review</u> Children are keen to play games and encourage</p>

					children to engage in physical activity during lunch time.
1, 2 and 4	Functional development Simply sport LTD	£2340	Provide EYFS staff with a coach to enhance the basic movement of children from an early age.	Children will develop their basic movement skills. EYFS teachers will be equipped to teach functional development confidently.	<p><u>January 2019 review</u> Staff in EYFS have stated that the children's basic movement is developing at a quicker pace and the coach is having a greater impact on the children's development.</p> <p><u>April 2019 review</u> Staff have commented that the children are developing their movement skills at a good pace.</p> <p><u>July 2019 review</u> Staff are keen to continue receiving functional development as they have said that the children are more able and have progressed more in PE than in previous years.</p>
1,2	Broader experience of a range of sports and activities offered to all pupils.	School to subsidise (£1000) from PE/Pupil Premium	The provision of a residential activity visit for our Year 5/6 children in the Summer term. This will allow children to access new activities and allow us to broaden provision.	Schools ongoing commitment to broaden the range of sports on offer to the pupils.	<p><u>January 2019 review</u> A deposit has been paid for the residential trip and a meeting held for parents.</p> <p><u>July 2019 review</u> Final numbers have been given and groups have been arranged for the trip.</p>
1,2 & 4	To develop swimming outcomes throughout Key Stage 2	No additional cost	Use of swimphony to track pupil progress in swimming sessions.	Higher percentage of children leaving Year 6 at National Curriculum Standard for swimming	<p><u>January 2019 review</u> PE lead is monitoring the outcomes of swimming lessons using swimphony.</p> <p><u>July review 2019</u> Held a meeting with David Bullen (LA Aquatics Manager)</p>

					to review swimming outcomes and organisation.
