

## Home Learning Years 3 and 4

Week beginning: 7.9.20

### Numeracy

Continue work on your times tables  
[www.timetables.co.uk](http://www.timetables.co.uk)  
Multiplication check. Can you answer all 25 questions correctly?  
**Remember Year 3's will need to know their 2, 5, 10, 3, 4 and 8 times tables.**  
**Year 4's will need to know their 2, 5, 10, 3, 4, 8, 6, 7, 9, 11 and 12 times tables.**

[www.mymaths.co.uk](http://www.mymaths.co.uk)

Complete the tasks set on mymaths.  
Watch the lesson on place value and complete the tasks.

### History

This term we are learning about the Stone Age. Click on the link below to find out how stone-age hunter gathers lived.  
<https://www.bbc.co.uk/bitesize/topics/z82hsbk/articles/z34djsx>

### Literacy

Continue to read every day. Ask a member of your family to quiz you on the section you have read.  
Write 10 questions you could ask about the text you have read. Try to include some inference questions.  
Maybe ask about how each character was feeling? Remember to ask for evidence from the text to support answers.

Is there any new vocabulary in your text? If there is, write them down and use a dictionary to find the meaning of the word.

**Please remember to practise your letter formation and handwriting.**

This week we are learning how to use a dictionary and alphabetical order. Ask your adult at home to help you find words and definitions.

The link below will allow you to play a variety of alphabet ordering games.  
<https://www.topmarks.co.uk/Search.aspx?q=alphabetical+order&p=2>

### Science

This term we are learning about states of matter. Solids, liquids and gases are called the three states of matter.  
<https://www.bbc.co.uk/bitesize/topics/zkqg87h/articles/zsqwwxs>  
Click on this link to learn about the three states of matter. The video will help you understand the difference between them.  
  
Can you then think of examples that will fit into each category?

### R.E.

This week in R.E. we are answering the following questions.  
What do we know about the Bible and why it is important to Christians?  
Write down everything you already know about the Bible.  
  
What is the difference between a favourite book and a Bible to a Christian?  
  
<https://www.bbc.co.uk/bitesize/clips/z6wmpv4>  
The video on this link describes the importance of the Bible to Christians. It is narrated by a boy called Matthew.

<b><u>French</u></b>		
<p>In French we are going to be learning how to count up to 10.</p>		<b><u>Computing</u></b>
<p>The video on the link below will help you with the pronunciation and the spelling of each word.</p> <p><a href="https://www.youtube.com/watch?v=wogBQG7LG8s">https://www.youtube.com/watch?v=wogBQG7LG8s</a></p>	<b><u>P.H.S.E.</u></b>	<p>This half term we are using scratch to create our own animation. Log into scratch and click on, 'New Project.' From the menu bar, click on the 'Tutorials' icon. There are lots of tutorials to choose from. Start with, 'Getting Started.' Then choose another one and use scratch to explore the ideas given in the tutorials.</p> <p><a href="https://scratch.mit.edu/projects/editor/?tutorial=getStarted">https://scratch.mit.edu/projects/editor/?tutorial=getStarted</a></p>
	<p>In class we have been discussing rules that will help us work together successfully.</p> <p>See if you can think of 5 rules that you think are important to follow in school.</p> <p>Remember our school values...</p> <p>Respect Happiness Perseverance</p>	<b><u>Art</u></b>
		<p>This week we are exploring cave drawings. Try sketching some of your own. Use google as a search engine to find some cave drawing to copy or use the example below.</p>
