Dear Parent/Carer,

We have today been notified of a confirmed case of COVID-19 within the school's staff. We have carried out a full Risk Assessment and have consulted with colleagues in Public Health.

Due to the Half Term Holiday and the INSET day, no children or staff have been in close contact with the case during the infectious period. Your child has not been identified as a close contact and therefore does not need to make any change to their usual routine, including school attendance.

The most common symptoms of COVID-19 are recent onset of a new continuous cough and/or a high temperature and/or a loss of, or change in, normal sense of taste or smell (anosmia). If your child, or anyone in your household, develops these symptoms, your whole household must remain at home and not go to work, school or public areas. You should arrange testing for the person who has developed symptoms.

Thank you for your support with this matter.

Yours sincerely,

Mrs Addison
Headteacher
