

Benfieldside Early Years Unit

What will the Early Years
Children be learning about
this half term?

Our Topic this Half Term is: "Living Things"

Below is an overview of what we plan to cover with the Early Years Children this half term. All of our Early Years children (Nursery and Reception) will be developing skills through the same topic but the activities will be delivered at a level appropriate to their age and stage of development. We plan all of our activities around the seven areas of learning, but our children also initiate their own learning through free choice activities and we do try to follow the children's interests, therefore our planning is flexible and subject to change.

Personal, Social & Emotional	<ul style="list-style-type: none"> Settling back into Early Years Unit Sharing Information about Easter Holidays Discuss how to care for plants Belonging to a family and special groups Feelings and friendships Understanding right and wrong & sharing Speaking out confidently in small groups
